CAM 2.0
Deepening Agency Resilience for Racial & Economic Equity
Community Action Marin stands for values of relationship, inclusivity, unity, and service. Our work is to eliminate the causes and consequences of poverty in Marin County. How will we achieve this?

To inspire our actions, we have aligned with the 2030 Agenda for Sustainable Development, Goal #1: No Poverty, adopted by the United Nations. To create the roadmap for our efforts in partnership with community, we have adopted CAM 2.0 as a prioritization of four guiding goals. This document offers a vision of what success looks like for each of these goals and it strengthens our agency’s clarity of purpose to achieve racial and economic equity.

We know that at the heart of all we do lies our trust in people and their trust in us. We recognize that we cannot go it alone, that we must collaborate and strategically partner to get to desired outcomes. The voices of consumers, youth, low-wage workers, and grassroots leaders must be invited to our table so that the principles of community action will work. Data must be a focus in our decision-making, and we must use stories and facts to move the needle for people of low income—disproportionately people of color in Marin County. Finally, we recognize that reaching our goals will require advocacy to change laws and policies.

We are ready. We are in your corner.
