ACTION
MARIN

Dedicated to alleviating
the **causes** and **consequences** of poverty.

We partner with people to support well-being, dignity, and hope.

Equity for All

Marin County ranks among the most inequitable in California by race across all indicators of well-being.

The county has the highest poverty rate in the Bay Area at 14%, with 6.8% of adults over 65 living in poverty.

Racial and economic justice drive our work toward a vision for equity.
