A HELPING PRESENCE ACROSS MARIN COUNTY

AT COMMUNITY ACTION MARIN, we break down barriers and help people to help themselves and each other. When community members come through any one of our doors, we put them first, listen, and partner with them to meet immediate needs and to achieve self-sufficiency. What Community Action Marin has done for me and my grandchildren, the support through our struggles, has been wonderful. To say I am grateful is not enough. This does not come close to expressing how I feel about the group I work with, or the care my grandchildren receive from their childcare programs. Anytime I see people that need help or assistance, I always recommend Community Action Marin's services because they are helpful for children and families."

Lo que Community Action Marin ha hecho por mí y por mis nietos, el apoyo durante nuestras luchas, ha sido maravilloso. Decir que estoy agradecida no es suficiente. Esto no se acerca a expresar lo que siento por el grupo con el que trabajo, o el cuidado que mis nietos reciben de sus programas de cuidado de niños. Cada vez que veo gente que necesita ayuda o asistencia, siempre recomiendo los servicios de Community Action Marin porque son útiles para los niños y las familias."
