RESOURCE GUIDE
Marin County
All of us in Marin have an equal opportunity to live our lives with dignity and respect.
DEAR COMMUNITY

Every year, Community Action Marin publishes a comprehensive list of local resources for Marin residents. Compiled with special focus on programs serving those with low incomes, this guide plays a vital role in connecting people with services to help them thrive and knits a closer safety net of support among the various agencies serving Marin County. A WHOLE FAMILY APPROACH.

The agency’s work is about focusing on strengths, building trust, and providing a warm and helpful hand up. People tell us that they appreciate all we do year-round across bundled programs to meet individuals where they are and help them reach their goals. It’s a whole family approach, and it’s our way of ensuring improved outcomes that center children, parents, older adults, and the community. We know that we thrive in connection and are stronger together.

Chief Executive Officer
